Project manager

EXPERIENCE

Project Manager Team Lead

SocialDrum ↗  
05/2022 - 04/2024

- Led a team of project managers in delivering complex projects, consistently meeting deadlines and budget constraints.
- Developed and executed detailed project plans, facilitating clear communication and collaboration across functions.
- Established and maintained client relationships, driving business growth through strategic upsells and project scope expansions.

Project Manager

SocialDrum ↗  
05/2021 - 05/2022

- Managed end-to-end project life cycles, ensuring the successful delivery of digital marketing campaigns across multiple platforms.
- Implemented quality assurance protocols to maintain high standards in project delivery.

Event Manager & Co-founder

Effect'as ↗  
06/2019 - 10/2021

- Directed large-scale events, overseeing all aspects from conceptualisation to execution, including budget management and vendor negotiations.
- Managed vendor and venue relationships, negotiating contracts, coordinating event services, and ensuring venues met client requirements.
- Assessed and managed risks to ensure the safety and coordination of guests and team members during event preparations and implementation.

Digital Project Manager

Elitaz ↗  
04/2018 - 02/2019

- Managed digital projects for high-profile productions, ensuring integration of digital content strategies with overall business goals.
- Optimised budget allocation and resource management, enhancing project profitability.

Project Coordinator

Elitaz ↗  
06/2013 - 07/2014

- Coordinated over 300 TV project participants, managing everything from scheduling rehearsals to guiding them onstage.
- Served as a primary point of contact for artists and freelancers, maintaining effective communication and fostering positive relationships.
